

2025 Child Support: More Money for Families

Collections*

* Includes IV-D and non-IV-D payments.

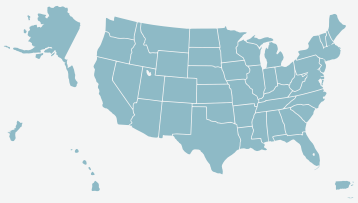

In FY2025, the child support program collected **$29.3 billion**

74%
of child support was collected by income withholding from employee paychecks
(26% other sources)

97%
of child support collected went to families

(3% reimbursed public assistance dollars)

Children Served

12 million children

1 in 6 children
in the United States

Cost-Effectiveness

$4.01 collected by the child support program for every $1.00 spent. One of the most cost-effective government programs.

How it Helps Parents

Automated
Payments can be automatically taken from the parent's paycheck.

Neutral party
The child support program sets payments based on income and objective guidelines.

Accurate records
The program keeps records of payments.
